

# A BOOK OF YOUR OWN

**Please Join the  
Federal Bar Association and  
Give the Gift of Reading**

**Can you imagine** never having a book of your own? Too many elementary school students in Cleveland face this reality. But we can change that! The Federal Bar Association is partnering with several Cleveland elementary schools to provide local students with their very own new or gently used children's books, to take home and enjoy.

**We need your help!**

**Donate Books.** You may contribute to the "A Book of Your Own" program by donating *new or gently used children's books* (K-8) that will be distributed to the participating elementary schools for students to keep and enjoy. Please drop books off at the Cleveland Law Library at 1 West Lakeside Ave., 4<sup>th</sup> Floor Cleveland, OH 44113 **by April 25, 2014.**

**Thank you.**  
**Your gift will help instill the joy of reading in Cleveland students.**
