2.50 Hours of Ethics & Professionalism Credit (accreditation approval pending)

Lawyers as Whistleblowers CLE

What Does Watergate Teach Us About Legal Ethics?

Speaker: James Robenalt

Recent events have found a government whistleblower at the center of a controversy involving the potential impeachment of a president. Forty-five years ago, John Dean, President Nixon's White House Counsel, became the most prominent lawyer whistleblower in American history. His testimony resulted in the only resignation of a sitting U. S. president and started a revolution in legal ethics.

Registration Fees

FBA Member Pre Registration - FREE, Walk In - \$25
