In continuation of 2019's successful Trial Academy, the FBA Northern District of Ohio Presents Trial Academy: Openings and Closings

Are you looking for more stand-up courtroom experience?

Do you find yourself lacking confidence or experience in the courtroom? Not sure how to improve your skills in a high-stakes setting without presenting a case? Sharpen your skills at the **Trial Academy** hosted by the Northern District of Ohio Chapter of the Federal Bar Association, September 30 to October 1, 2021.

In today's judicial system, most cases are settled in litigation before they reach a trial. As a result, new attorneys have few chances to present a case to a judge and jury, missing out on valuable experience. In this two-day event, participants will practice with live witnesses, engage in hands-on "stand-up" experience and receive feedback from experienced judges and practitioners. Register soon, as only 16 spots are available for participants!

Practice your Opening and Closing skills in front of distinguished practitioners and judges.
